

A First for Pride

At the beginning of the 2009-2010 Lionistic year, two Lion Leaders set a mutual goal; both wanted District 27-B2 to be the first district in the State to have 100% of its Lion and Lioness Clubs give a gift to the Lions Pride Endowment Fund. IPDG Pat Pflieger and Pride Chairman Dewey Carl are proud to announce that as of June 28th, the goal was achieved.

“We couldn’t have done it alone” said Chairman Dewey. “We had the help of many in the District.” During the final weeks of June, IPDG Pat, PCC Dewey and PCC Curt Kjendalen contacted the few remaining Clubs and secured their donations.

Lions Pride Chairman Dewey Carl is now issuing a challenge to neighboring District 27-B1 to follow suit. PCC Herb Schneider and Past Foundation President Tom Clausen have been working hard in their district to advance the Campaign efforts and to date B1 is second in the number of Clubs that have given to the Lions Pride Endowment Fund, with D1 currently in third.
