

Spring . . . A Time To Refresh

As you read this hopefully, spring will be here; crocus and daffodils blooming as the world refreshes itself after a long winter. It is that time of year many Clubs throughout the State are reviewing plans for summer fundraisers and perhaps making end of the Lionistic year donations.

It might also be a time to refresh our memories with some facts about the WLF Lions Pride Endowment Fund.

1. The purpose of Lions Pride is to build a \$25 million dollar endowment fund, with interest and earnings used to ensure

the future of Wisconsin Lions Camp and the other WLF Statewide Projects.

2. All donations to Pride are deposited into the permanent Lions Pride Endowment Fund. No donations or parts thereof are used for operating expenses unless specifically directed by the donor.
3. The Lions Pride Investment Policy ensures that the Contributed Principal will never be used; only the interest and earnings will be used to support the WLF Projects.

A copy of the Investment Policy is available on line at www.lionspride.org.

4. Reaching our goal is simple....55 cents a day from every Lion and Lioness in the State, just \$200 a year for five years we would have \$25 million dollars.

If you or your Club members have any questions, the Pride staff is happy to help. We can also have a speaker visit your Club and make a presentation. Contact the Lions Pride Office at 715/677-7000 or visit our website at www.lionspride.org.
