

Calling All Shooters!

Ready for a challenging shoot and a great time? Plan now to participate at the 4th Annual Lions Pride Sporting Clays Shoot.

Mark your calendars for Saturday, June 11. Get together a team(s) of Lions and non-Lions, too. Over the past three years, Pride Shoots have raised \$62,000.

The Pride staff is working hard to top previous years' events in fun, participants and of course monies raised.

Last year we introduced a Flurry Shoot where 100 clays are released in quick succession and a team does its best to hit as many clays as possible. This turned out to be quite an exciting event and the winning team celebrated with bragging rights the entire day. Shooters enjoyed it so much we are offering it again this year.

If you are unfamiliar with sporting clay shooting, it is often called golf with guns. As a fundraiser it works very much like a golf outing, but with much more noise! You do not need to be an expert marksman to have fun at this sport, which is growing in popularity year after year. Last year several shooters brought along their children or grandchildren; youth attendees do have to have taken a hunters safety course to participate.

Milford Hills Hunt Club is nestled in the rolling hills of southeastern Wisconsin. The scenery is beautiful and the rustic

lodge makes a great place to relax after the Shoot with friends.

The price per shooter is \$125 which includes:

- Lunch
- 100 Round sporting clay shoot
- Dinner
- Free beer (after the Shoot, of course)
- \$3,000+ in Lewis Class prize money
- Great raffles
- Our live auction featuring our famous auctioneer IPDG Len Quinn and his Leader Dog Ginger

Pride welcomes you to join us for the Shoot. Encourage your Club members' participation and put a team together. Last year the Tichigan Lake Lions sent three teams and Fort Atkinson Lions sent two. We also have a lot of non-Lion participants, so don't limit yourself just to Lions, invite your family and friends, too.

For those who may not want to shoot, you are welcome to join us for the day's activities, including lunch and dinner for just \$50.

Contact Geri or Denise at the Lions Pride Office at 715-677-7000 or via email at pride@wlf.info if you would like to register or would like more information. The brochure and photos from last year's shoot are also available online at www.lionspride.org/events.

Volunteers On-Target

"We Serve" has brought us together in many ways volunteering our time and energy to make a difference in the lives of others.

On Saturday, June 11, Lions Pride is looking for volunteers for our 4th Annual Lions Pride Shoot Sporting Clays Fundraiser at Milford Hills Hunt Club, Johnson Creek. Last year 32 Lions, Lioness and non-Lions from across the state volunteered at this unique, fun and successful fundraiser.

Lions Pride Shoot volunteers have a great time, meet people from throughout Wisconsin and get a free lunch and dinner.

IPDG Len Quinn is again volunteering his services as Auctioneer. Newcomers are always shocked to see a blind auctioneer being led in by his Leader Dog, but those that attended previous shoots assure the "newbies" they are in for a real treat. IPDG Len's gregarious personality and antics always steal the show.

To volunteer, contact the Lions Pride Office at 715.677.7000 or pride@wlf.info or visit www.lionspride.org/events to download a volunteer flyer.
