

Guns, Fun & Pride Funds

Native Americans associate the color orange with kinship, defined as a close connection marked by community of interests or similarity in nature or character. On Saturday, June 12th as the sky and the hills near Johnson Creek were awash with the color orange - as 88 shooters, 37 volunteers and spectators celebrated their kinship at the 3rd Annual Lions Pride Shoot Sporting Clays Fundraiser.

This event brings Lions, Lioness and non-Lions from throughout the state together for a day in the great outdoors. Once again the rain held off until after the event, making for an enjoyable day for our shooters and volunteers.

Brats were served for lunch and a pork porterhouse dinner meant no one left hungry. The raffles and live auction, again conducted by IPDG Len Quinn, included

many items: Packer, Brewer and Badger ticket packages, guns, hunts, sports equipment, a week in Aruba and even an Amish Quilt all donated by ardent Pride supporters. The Lions Pride Shoot has something for everyone to enjoy.

Special thanks to Lions David and Judy Carl for securing prizes for our station games and silent auction and to the Milwaukeee Iron Dance Team members that

volunteered their time to help.

We are pleased to report this year's event raised over \$17,000, bringing the total to almost \$61,000 since 2008.

Mark your calendar and plan to join us next year on June 11th for our 4th Annual Event as a shooter, sponsor or volunteer.

As one of our volunteers Lion Jeff Meyer said, "Well organized and a lot of fun... Very enjoyable, I can't wait for next year!!!!"
