

Non-Lions Provide Major Support For Lions Pride

Many Wisconsin Lions have made pledge commitments or gifts to the Lions Pride Endowment Fund. They understand that it represents today's help, tomorrow's hope for Lions Camp and all WLF projects. It is the only permanent, donor-directed ("true") WLF endowment fund.

But here's a surprising statistic: of the total number of about 1,400 donors to the Lions Pride Endowment Fund, nearly half are non-Lions! In fact, 633 individuals (plus 67 corporations and foundations for a total of 700) represent non-Lion contributors to Lions Pride. They believe in the statewide projects of WLF that are dedicated to helping local Lions Clubs serve citizens in each of their respective communities.

In addition to these 700 non-Lions, 335 Clubs--Lions, Lioness and Leo--have found ways to contribute to the Lions Pride

Endowment Fund above and beyond their annual donations to WLF. The balance is comprised of pledges and gifts from individual Lions; happily, many of these are wonderfully generous and represent the real backbone of dollar contributions to the Lions Pride Endowment Fund.

What tale do these numbers tell? If Lions Pride is to fully reach its goal, more individual Lions donations are essential. Please make and act on a gift commitment to the Lions Pride Endowment Fund today. Demonstrate with dollars the heart of Lionism.

The many ways to give are detailed at www.lionspride.org. Or simply send your check payable to: WLF Lions Pride Endowment Fund. Your gift will be supporting your local community, as well as others statewide.
