

Convention 2010: LCI Honors Dewey's Dream

During the 2010 State Honors Luncheon, Lion DuWayne "Dewey" Carl was honored with the presentation of an International President's Certificate of Appreciation.

Council Chair Lion Sam Kochel presented the award and referring to Carl's devotion as Chair of the Lions Pride Campaign, noted:

"This Lion has a dream.

The dream is to adequately support the State programs of MD27.

At the center of this dream are the 1,500 campers yearly of our Wisconsin Lions Camp who will have the time of their lives in the years to come.

This Lion has invested his life in support of securing the future ... serving by reaching, touching and improving lives ... and challenging Lions, Lioness and Leo to join the dream of helping people.

Truly, PCC Lion Dewey Carl stands in the tradition of Lion Ray Hemple*."

Congratulations, Lion Dewey.

* Poysippi Lion Ray Hempel inspired and led the effort to establish Lions Camp.
