

DEDICATION BORN ON A COLLEGE CAMP WORKDAY RECOGNIZED

“Dewey” Carl’s inspiration and love of Lions began decades ago when he happened to join a college roommate during a workday at Lions Camp. At State Convention in Stevens Point, WLF uniquely honored Lion DuWayne “Dewey” Carl for his singular scope of dedication, service and lifetime commitment to Wisconsin Lions.

Pictured here is WLF President Glen Moegenburg presenting Dewey with its Henry Check Volunteer Service Award. The Award represents a special tribute for those who have strongly supported the efforts and programs of the WLF and who have gone over and above as a volunteer concerning Lionism. Selection for the award, which may or may not be made annually, is made by the WLF Executive Committee from nominations submitted by Directors and staff.

Well-deserved congratulations, Lion Dewey,
with thanks for all you do!
