

Pride Chair Honored

We all have commitments beyond our great work as Lions ... and no one knows that better than Lions Pride Campaign Chair, PCC Dewey Carl.

Carl was recently awarded the Sapphire Leadership Award by St. John's Northwestern Military Academy for his support of this prestigious Wisconsin private school.

Through his support a young man named Chris has achieved his dream and has won an appointment to the United States Military Academy at West Point and our Country has another young and ambitious leader from the great State of Wisconsin.
