

# Wild Game Gourmet Style

Oohs and ahhs could be heard along the shores of the beautiful Wisconsin River as the Lions Pride Wild Game feed was underway at State Convention. The food, the prizes and even the weather were nothing short of amazing. Pheasant with orzo pasta and sun-dried tomatoes, pheasant/venison jambalaya, wild boar, venison lasagna and meatloaf were prepared to perfection to the delight of our 311 guests' taste buds.

Thirty-two volunteers, Lions, Lioness and non-Lions, donned safari hats and stood at the ready to help in any way they could from set-up to clean-up. Thank you to our volunteers and our raffle and door prize donors ... your efforts helped make the event a success.

Thank you, too, to our corporate sponsors: Festival Foods in New London for providing all the bread and buns, The Store convenience store in Rosholt for providing the ketchup, mustard and mayo

packets, Pete & Sharon's Country Skillet in Rosholt for providing canned tomatoes, and Okray Family Farms in Plover for donating the potatoes.

Special thank to the guys from "Dewey's Woods" who provided

the wild game and their flavorful culinary expertise. We could not have done it without you!

The wheels are turning at the Lions Pride Office ... who knows what will be in store for next year! See you in 2011!
