

It's All About The Kids

by PDG Jerry & Lion Trudy Wille

The statewide projects of the Wisconsin Lions Foundation are certainly important, but for us, the WLF Lions Pride Endowment Fund is all about the Kids.

Through WLF, the Lions of our state have provided camping opportunities to some 68,000 Wisconsin residents with special needs or challenges since 1956.

To continue, we need to ensure that the Camp is going to be around for years to come ... and that's where the interest earnings from the WLF Lions Pride Endowment Fund come into play.

Three years ago we made a five-year commitment to the Pride Endowment Fund and this year we became a member of the Safari Legacy Society.

There are three major reasons that we felt it was necessary to be involved in the Pride program:

- The smiles on the kids at Camp. If you ever have the chance to visit and see the campers' smiles, you will get that special feeling in your heart that tells you to do whatever you can to ensure that Camp will

always be there!

- For the Lions of Wisconsin, Lions Camp is a tremendous asset, not only to the Lions in our State but, also for our Grandchildren's generation to see and be a part of it in the future.
- PCC Dewey Carl is the chairman of the Pride Campaign and is a person we respect tremendously. His vision, sincerity and commitment made it easy to want to be a part of his team.

Lion Trudy and I encourage everyone to consider giving whatever you can to Lions Pride and guarantee the future of our Camp. We are proud to be Lions from Wisconsin and making a difference for the less fortunate through Lions Pride.

Catch that Lions Spirit through Pride!
