

Pledges: Renewing The Commitment

Former WLF President Lion Greg Pryor was one of the earliest supporters of the WLF Lions Pride Campaign.

Not long ago, Pryor sent his annual check fulfilling the personal financial commitment he and his wife Kate made to the Lions Pride Endowment Fund ... for which those involved in the Campaign are most grateful. More important was the message that came with his check:

Says Pryor, "While I have completed my current financial pledge, I will still continue

to support the Lions Pride Endowment Fund.

"Thank you for the work you are doing to help keep our Wisconsin Lions Foundation financially solvent."

Thank you, Lion Greg, for continuing your pledge of support and helping set an example for the Lions of Wisconsin.
